Gold Filled Watches Given Away.
Beginning next Saturday night and continuing every Saturday night until further notice, we will give away a gold filled watch like this,

Customers' or Ladies' aim. The watch is not set with diamonds, nor is it the best quality of filled case, but it is not to be compared with the ordinary watches usually given away. We are so judges of watches, but the jewels tell us the movements are a good American make and that the case is made by the celebrated filled case maker, James Ross. It is a stem wind and set and they tell us the regular price is \$18.00. Every purchaser of a DOLLARS
